## GREETINGS

MAHA KUWASA PANATA BACA JAGAT ARAYA DALANG ANYATA

The human body consists of two parts:

- 1) The Visible body
- 2) The Invisible body

### 1. **THE VISIBLE BODY (Visible - Dhohir)**

- 1.1 Begin equipped with physical strength, so one appears at peace and full of the light of knowledge;
- 1.2 Practice healthy living through rhythmic eating, thinking, working, resting and sleeping;
- 1.3 Be attentive to all body parts according to their purpose and function;
- 1.4 Prepare at every moment to practice appropriate conduct and avoid all tactics which can bring adverse effects to the body;
- 1.5 As often as possible, always appear neat, elegant, fresh and calm in whatever situation;
- 1.6 Be capable to communicate with clear, confident, accurate intonation which is straight to the point, and creates a lively atmosphere;
- 1.7 Be capable of controlling the body in all situations and conditions;
- 1.8 Be capable of handling speeches, words and all actions involving private lives, families, communities, nations and countries, according to the purpose of their birth.

### 2. **THE INVISIBLE BODY (Invisible - Ghoib)**

- 2.1. Originated from the first word 'I' which is Illuminating from the Ray of God and God's Messenger;
- 2.2. Fill the heart space with gentleness, smile shining with pure intentions and have faith so one becomes the sun;
- 2.3. Cultivate honesty within the heart and mind and have a supportive attitude towards all tasks from beginning through to completion;
- 2.4. Balance your intentions, ambitions and capabilities as best as possible towards success;
- 2.5. Always maintain positive, innovative, creative and optimistic thinking when facing good or bad, peaceful or chaotic, or urgent conditions or situations;
- 2.6. Able to create brilliant ideas or plans to penetrate the best level of each moment;
- 2.7. Perfection of one's ethics shines through the glow of the nobility of the heart;
- 2.8. All heart intentions are heard and answered by the universe, which can be seen and felt within the inner self.

CARAKA 23-10-2013

## GREETINGS

MAHA KUWASA PANATA BACA JAGAT ARAYA DALANG ANYATA

"True victory is when no-one feels loss or defeated by another, because our most challenging enemy is within us all, therefore rein this in, and protect from within the integrity of all humans. Let us have no favouritism, racism, corruption or egotism, and instill true honour for the race that is accepted by all races."

"A good victory does not make the other defeated, thus allow us to be united in conscious awareness, in thinking, feeling, soul, body and spirit, in the Universal understanding."

## PURPOSES FOR COUNTRY CODE OF CONDUCT:

1. Create a Country/Nation that is sovereign, just, prosperous, peaceful, safe, happy and healthy;
2. When a country is sovereign, the leaders must reflect the nature and attitude of honest and noble knights, shining like the sun;
3. In order to become a just Country/Nation, leaders must balance out the rights, feelings and needs between the people and the leaders of the Nations;
4. In order for a Country/Nation to achieve prosperity in all walks of life, all natural resources from Heaven and Earth are to be utilized as best as can be by Earth's entire population, by giving justice the foremost priority;
5. In order for a Country/ Nation to achieve peace, each and every person's needs are met and are available in all aspects:
  - Aspect of Religion; to provide peace in carrying out spiritual practice;
  - Aspect of Economy; to fulfill all external material and internal spiritual needs;
  - Aspect of Education; to fulfill human resources needed in the Country/ Nation when replacements of leadership roles occur, and make all citizens of the world better educated;
  - Aspect of Law; to care, protect, offer and resolve matters, those in need of care must be cared for, those in need of protection must be protected, those in need of defence for their rights must be defended, and provided with verdicts without making anyone feel defeated;
  - Aspect of Social; will be felt by all the people/ inhabitants of Earth when the people and all inhabitants of Earth feel Justice in all levels;
  - Aspect of Culture; good and beneficial practices to be sustained and conserved while those that are not serving humankind and Earth must be ceased.
6. In order for a Country/Nation to achieve peace, leaders will not have prejudice against any tribes, nations, clan, race, religion, groups, genders and beings, and living or dead objects, but rather sense the instinct and fragrance of peace and harmony forever.

"THESE ARE THE BASES OR FOOTSTEPS TO ACHIEVE A FAIR,  
PROSPEROUS, PEACEFUL, HAPPY AND HEALTHY COUNTRY."

## THE PERFECT AND PURE LEADER

---

1. Be the Sun in the daylight, more than in the dark, therefore s/he is beneficial to the universe.
2. Be the air that enlivens, touches, refreshes and calms all situations, therefore s/he will always be missed and loved by all in the universe.
3. Be like clear water which quenches the thirst, cleans, washes, rinses and splashes the areas that are contaminated by dust, as this is why s/he is remembered, sought for and whose presence is awaited.
4. Understand God's wills and intentions, make God your leader as s/he is loyal and trustworthy in carrying out her/his duties no matter how hard they may seem.
5. Never dismiss/carelessly treat an issue no matter how small it may be, therefore s/he is always present in the heart of all people and all beings on this Earth.
6. Will admit faults, mistakes and confusions in front of God, all people and all beings, therefore s/he avoids arrogance and conceit.
7. Always complete and settle legal matters as fairly as possible without judgments based on color, gender, clan and religion, therefore s/he is fit to execute the duties required in the Universe and her/his name will be timeless in the Sky and on Earth.
8. Always protect the people, and all Earth residents, alive or invisible, thus the real differences between the leaders sent by God and leaders chosen by men can be distinguished, and therefore her/his speech measures in accordance with their conduct.

### ADVICE

Organize the country, as you would organize your self every day. Organize your self, as you would organize your heart in every second. Organize your heart, as you are observing the Creator and her/his Messengers, whilst you are standing, bowing, kneeling and sitting. That is the perfect organization that all beings and this universe have missed.
